Von MENDE arrives Munich on Friday 25 Feb for 3-4 days. I suggest we make up a party of four (Von MENDE, [] myself and one more of our group) either at Gmund or another operational house. As we shall probably ask for written statements from Von MENDE on his present activities and connections, he can be left alone with a typewriter a good part of his stay here. If we can now make a rough plan for his stay, I shall then inform [] this afternoon what preparations to make if any.

Suggest von Mende be set up w/ typewriter and written list of questions. His answers can then be used as the basis for clarifying discussions which should perhaps be layed on for 27 Feb. (Sunday).
